

Dasher Experiential fund application 2025

STUDENT APPLICATION FOR THE DASHER PRE-HEALTH EXPERIENTIAL LEARNING FUND SCHOLARSHIP

With generous support from the Dr. Charles Alexander Dasher Pre-Health Experiential Learning Fund, the Division of Biological Sciences is pleased to support BIOL majors to participate in a Pre-Health Experiential Learning opportunity while attending the University of Georgia.

If you are planning to engage in an Experiential Learning activity **focused on pre-health** (e.g. internship in a hospital or health clinic, shadowing at a pharmaceutical company) **in Summer 2025**, you are encouraged to submit your plans to the Dr. Charles Alexander Dasher Pre-Health Experiential Learning Fund. The Fund was established to help offset costs that you will incur in order to successfully achieve the activity. Preference will be given to approved UGA Experiential Learning Activities and/or Courses (see <https://el.uga.edu/students/find-my-experience/>).

Applications are due April 10, 2025 at 5 pm. Recipients will be notified by April 18th.

STUDENT INFORMATION

Name

81#

Major(s) (Biology must be one of your majors)

UGA Email Address

Name and description of planned Experiential Learning activity:

Will you receive academic credit for this Experiential Learning experience? If so, under what course?

What funds are you requesting, and how will they help you offset costs associated with your planned experience? Please be as specific as possible (e.g. \$400.00 for round trip airfare to Experiential Learning activity location; \$200.00 for organization's required training or certification)

I agree to provide confirmation documentation of the planned pre-health Experiential Learning activity (e.g. acceptance letter to internship, course registration for Experiential Learning approved course, etc.)
